“ *Bertha, a person you won't forget. One who streamlined others and determined where the need was the most n then she would attempt to minister accordingly. She was someone who would reach out to others who were castaways and the broken hearted. She was that kind of person. We, meaning all of us who were touched by her laughter, joy, and even her suffering. These are some of the more fonder memories of Bertha K. She will forever be in our hearts and personality you just wouldn't forget in all of your days!* ”
