“ Mrs. Betty Lou was such a sweet person. This is hard for the community to know that she is no longer with us. She led a blessed life being spoiled by her girls. I would like to extend our deepest condolences to the children, siblings, and entire extended families. We will continue to pray your strength. God help us all.

“ *To The Family  
In loving Memory of your  
Mother*

*The loss of a mother is one of the greatest losses in life. But those we love never truly leaves us. They left us beautiful memories, and their love is still our guide. They walk beside us everyday . A mother's love is strong and deep, filling us with memories to cherish and keep. Let the memory of your mom fill your minds, warm your heart and lead you through.*
