“ *Diane, Steve, Theatrice and Family,
Life brings tears, smiles and memories; the tears dry, the smiles
fade but the
memories of your loved one CEL will live on forever.
Please know that Jesus promises to be our source of strength.

“ *Words cannot explain how I feel now or how I felt when I got the call
of your passing. I immediately called your mom and told her that I
would meet Herat Harmony House. The 1st thing that I see is that
you looked like you were sleeping peacefully. It hurts so bad
because you remind me so much of your dad "Joe Ball" and it
brings back so many good memories. I remember the 1st time I held
you, you wet me and I never let you forget it!!! I want you to know
that I ❤️ you!!! Take your rest and know that God loves you, too!!!*
