“ I was sad and suprise about Glenwood. Just remember that he is at rest now. Just keep your hands in God's hand and depend competely on him. He will be missed but just remember he's in God's hand now. All of his good work has ended down here, now he is enjoying his new eyes and his care free spirit. Hold on to God.

“ I am so sad to learn of Glenwood's passing. He was a great guy. Your comfort should come from knowing he is now with Miss Yonnie again.

“ I went to school with Glenwood. He remembered me as Beverly Irving. I would see him every now and then in New Bern at the hospital where I assumed he worked. I just wanted to extend my sympathy to the family. It has been almost a year and I just happened to see his obituary. God bless Annette and the family. You will be in my prayers.
