“ I will always remember Jerome as having bright smiles and continuous laughter. He was one of those big brothers to all of us back in the day. Hanging around Pink Hill local spots with the fellows. Driving trucks, fast cars and talking smack (in a good way) all the time. Even when there were years between our meet ups, he always acted as if we'd talked everyday. Keep the positive memories and know that Jerome is happy, smiling and reflecting the joy as only he could do. For all the old truckers and CB users..."Breaker, Breaker Good Buddy, Jerome is now 10-99 (Mission Complete).

God Bless
