“ Rest in heaven Uncle Joe. If I know you, your probably fussing with Tan, while y'all rejoice in the arms of God the Father. I will miss you deeply and I pray that God gives Mrs Julia and siblings the peace only God can give at this time. I love y'all dearly and know it was his plan. We might not understand it now, but God calls home his creation at his will and that makes me feel better knowing he's with The Father and family.
