“ My thoughts and prayers are with the family during this difficult time as I was very sad to hear about his passing. I have known Earl for many, many years since he used to visit his Aunt Helen in Richard Green. He was always nice and thoughtful and was always willing to lend a helping hand. He has truly been a blessing to me and I will always be thankful for his support up until the very end. May the precious memories of Earl live forever in our hearts and may he rest in peace. Love and prayers and hugs. Diane Cox, Durham, NC

“ Big Earl has been friends with my Dad Willie Pettaway since I was a little girl. He was just like an Uncle to my siblings and I. He will truly be missed by us and our Bread of Life church family. Every Sunday my Dad came to church Big Earl was right with him. This is the last pic they had together. Sleep on Big Earl❤️
