“ *This is so hard, but I just wanted to say what a Wonderful and Beautiful person Rhonda was, inside and out. She was always the same whenever you saw her. She and I always compared our Christmas Shopping, to see who was the first to start. I sure will miss her. Family my heart goes out to all of you. This is something you don't get over, we just have to learn to live with it. Look up all good things come from above. I pray God wraps his arms around you and give you comfort in this sad time. Praying for all of you.*

“ *My suitemate... I am still in disbelief, this can't be real. This one hurts so bad. You and I spent many years together and had many talks. I looked up to you like a big sister. I am going to miss our chats and that big smile that would light up a room. I just hope you know how much I love and appreciate you. I do know CarolinaEast will never be the same, you were one of a kind. Rest In Peace sweet girl.*

“ *Rhonda was one of my work daughters, I loved her like she was my own. I won't pretend that the pain I'm experiencing is as great for me as it is for her mom but it's almost unbearable. I loved her and will greatly miss her. We loved her but God loved her more, gone too soon....*

“ To Ms. Mom, Ms.Brenda,Harvey,Reva(I named these individuals because I worked side by side with them at CarolinaEast) and the entire family you all are in my thoughts and prayers. I know how it feels to lose a sibling at such a young age. Remember God has you all and he never ever will leave you. Your faith in him will keep you and the memories will always be there.I love you all and I hurt along with you.
