“ We will always remember Mother Hargett as a loving, faithful, devoted and humble servant of the Lord. A sincere individual who loved God, family and the body of Christ . She had outreach ministry that touched so many people. Mother Hargett was very instrumental with significant ideas and suggestions when we established the Undenominational Bible Institute in James City. She was not only a spirit- filled saint but also very intelligent, theologically knowledgeable and abreast of world affairs. The family has our sympathy and prayers during this time of transition. We have lost a general in the body of Christ,a great woman of God.
