“ *To the Fonville Family
Grandma has lived her life. God was ready for her to come now. We must let her go. We will always remember Grandma Willie for all she has done and how she has fill a spot in all our lives. I know our hearts are heavy, and she is looking down and saying I'll be all right with my Jesus.*

I love you all. God said I will take you through, just keep holding on to his unchanging hands.
